Business snapshot → quick wins

What AI can do:

Turn a messy situation into a clear plan in minutes.

Mini example:

5 quick wins + a 7-day plan.

Prompt preview:

Act as a practical small-business AI consultant.

Business Snapshot:

- Industry: {{industry}}
- Offer: {{offer}}
- Customers: {{customers}}
- Goal: {{goal}}

Copy-ready prompt:

<https://leonelulloa.com/p/01>

Scan the QR or tap the link.

What AI can / can't do (for me)

What AI can do:

Know what to automate, and what to keep human-reviewed.

Mini example:

Do-now list + safety checklist.

Prompt preview:

Act as my AI reality-check.

Snapshot:

- Industry: {{industry}}
- Offer: {{offer}}
- Customers: {{customers}}

Task:

- 1) List 10 things AI can help with now.

Copy-ready prompt:

<https://leonelulloa.com/p/02>

Scan the QR or tap the link.

7-day execution plan (60 min/day)

What AI can do:

Get momentum with a daily checklist that's doable.

Mini example:

Day-by-day tasks + deliverables.

Prompt preview:

Create a 7-day execution plan.

Inputs:

- Goal: {{goal}}
- Bottleneck: {{bottleneck}}
- Channels: {{channels}}

Requirements:

- Max 60 minutes per day

Copy-ready prompt:

<https://leonelulloa.com/p/03>

Scan the QR or tap the link.

Offer clarity (one-liner + CTA)

What AI can do:

Make customers 'get it' instantly.

Mini example:

One-liner + benefits + channel CTAs.

Prompt preview:

Act as a direct-response positioning expert.

Offer: {{offer}}

Customers: {{customers}}

Goal: {{goal}}

Channels: {{channels}}

Task:

1) Write a 16-word one-liner.

Copy-ready prompt:

<https://leonelulloa.com/p/04>

Scan the QR or tap the link.

Objections → answers that sell

What AI can do:

Predict objections and reduce doubt with proof.

Mini example:

10 objections + best replies.

Prompt preview:

Act as a sales psychologist + copywriter.

Customers: {{customers}}

Offer: {{offer}}

Task:

- 1) List the top 10 objections.
- 2) Write a 2-3 sentence reply for each.

Copy-ready prompt:

<https://leonelulloa.com/p/05>

Scan the QR or tap the link.

5 content pillars + 20 ideas

What AI can do:

Never run out of posts again.

Mini example:

5 pillars + hooks + CTAs.

Prompt preview:

Act as a content strategist.

Industry: {{industry}}

Offer: {{offer}}

Customers: {{customers}}

Channels: {{channels}}

Task:

- 1) Create 5 content pillars.
- 2) Give 4 post ideas per pillar.

Copy-ready prompt:

<https://leonelulloa.com/p/06>

Scan the QR or tap the link.

7-day content calendar

What AI can do:

Plan a week of content matched to your goal.

Mini example:

Daily post plan with hooks + CTAs.

Prompt preview:

Create a 7-day content calendar.

Channels: {{channels}}

Goal: {{goal}}

Customers: {{customers}}

Offer: {{offer}}

Requirements:

- 1 post per day
- Hook + 3 bullets + CTA

Copy-ready prompt:

<https://leonelulloa.com/p/07>

Scan the QR or tap the link.

Hooks that stop the scroll (30)

What AI can do:

Generate hooks in your customers' language.

Mini example:

30 hooks (curiosity/problem/result).

Prompt preview:

Act as a direct-response copywriter.

Offer: {{offer}}

Customers: {{customers}}

Channels: {{channels}}

Task:

Generate 30 hooks:

- 10 curiosity
- 10 problem
- 10 result

Copy-ready prompt:

<https://leonelulloa.com/p/08>

Scan the QR or tap the link.

Ad angles + 6 variants

What AI can do:

Test multiple angles instead of guessing.

Mini example:

6 angles + copy + formats.

Prompt preview:

Act as a performance marketing strategist.

Offer: {{offer}}

Customers: {{customers}}

Goal: {{goal}}

Channels: {{channels}}

Task:

- 1) Generate 6 ad angles.
- 2) Write headline + primary text + CTA for each.

Copy-ready prompt:

<https://leonelulloa.com/p/09>

Scan the QR or tap the link.

Landing page outline (mobile-first)

What AI can do:

Structure a landing page that converts.

Mini example:

Hero + benefits + proof + FAQ + CTA.

Prompt preview:

Act as a conversion copywriter.

Offer: {{offer}}

Customers: {{customers}}

Goal: {{goal}}

Task:

Write a mobile-first landing page with:

- 1) Hero
- 2) Benefits
- 3) How it works
- 4) Proof
- 5) FAQ
- 6) CTA

Copy-ready prompt:

<https://leonelulloa.com/p/10>

Scan the QR or tap the link.

Email newsletter (1 issue + template)

What AI can do:

Build trust and drive replies via email.

Mini example:

1 ready email + reusable template.

Prompt preview:

Act as an email marketer.

Offer: {{offer}}

Customers: {{customers}}

Brand voice: {{brand_voice}}

Task:

- 1) Write one newsletter (subject + body).
- 2) Create a reusable weekly template.

Copy-ready prompt:

<https://leonelulloa.com/p/11>

Scan the QR or tap the link.

Repurpose one idea into 5 formats

What AI can do:

Turn one idea into a week of content.

Mini example:

Video + post + carousel + email + DM.

Prompt preview:

Repurpose this idea: [PASTE]

Channels: {{channels}}

Offer: {{offer}}

Customers: {{customers}}

Create:

- 1) Short video script (30-45s)
- 2) One post
- 3) Carousel outline
- 4) Email version
- 5) DM version

Copy-ready prompt:

<https://leonelulloa.com/p/12>

Scan the QR or tap the link.

Lead qualification (questions + scoring)

What AI can do:

Focus on the best leads with a simple score.

Mini example:

7 questions + score tiers.

Prompt preview:

Create a lead qualification system.

Customers: {{customers}}

Offer: {{offer}}

Goal: {{goal}}

Task:

- 1) Write 7 questions.
- 2) Create a 0-100 scoring rule.
- 3) Define actions per tier.

Copy-ready prompt:

<https://leonelulloa.com/p/13>

Scan the QR or tap the link.

Follow-up sequence (7 messages)

What AI can do:

Most sales happen in follow-up.

Mini example:

7 messages for email/DM.

Prompt preview:

Write a 7-message follow-up sequence.

Offer: {{offer}}

Customers: {{customers}}

Channels: {{channels}}

Requirements:

- Friendly, value-driven, no pressure
- Include CTA per message

Copy-ready prompt:

<https://leonelulloa.com/p/14>

Scan the QR or tap the link.

Simple sales script (DM/call)

What AI can do:

Close without sounding pushy.

Mini example:

Opening + questions + pitch + close.

Prompt preview:

Create a simple sales script.

Offer: {{offer}}

Customers: {{customers}}

Goal: {{goal}}

Task:

- 1) Opening
- 2) Discovery questions
- 3) 30-second pitch
- 4) Closing lines
- 5) Objection replies

Copy-ready prompt:

<https://leonelulloa.com/p/15>

Scan the QR or tap the link.

Support macros (10 replies)

What AI can do:

Save hours with ready-to-send replies.

Mini example:

10 templates + when to use them.

Prompt preview:

Create 10 customer support macros.

Offer: {{offer}}

Customers: {{customers}}

Channels: {{channels}}

Include: pricing, how it works, timeline, refunds, angry customer, upsell.

Tone: calm, helpful, confident.

Copy-ready prompt:

<https://leonelulloa.com/p/16>

Scan the QR or tap the link.

Turn any task into an SOP

What AI can do:

Document your process so you can delegate it.

Mini example:

Steps + checklist + done definition.

Prompt preview:

Turn this task into a simple SOP.

Tools: {{tools}}

Bottleneck: {{bottleneck}}

Task: [PASTE]

Requirements:

- Numbered steps
- Time estimate
- Quality checklist
- Common mistakes
- Done definition

Copy-ready prompt:

<https://leonelulloa.com/p/17>

Scan the QR or tap the link.

Weekly KPI dashboard (simple)

What AI can do:

Track what matters and improve weekly.

Mini example:

5 KPIs + targets + weekly checklist.

Prompt preview:

Create a weekly KPI dashboard.

Goal: {{goal}}

Channels: {{channels}}

Bottleneck: {{bottleneck}}

Task:

- 1) Pick 5 KPIs
- 2) Define targets
- 3) Weekly review checklist (10 min)
- 4) What to change next week

Copy-ready prompt:

<https://leonelulloa.com/p/18>

Scan the QR or tap the link.

Automation opportunities map

What AI can do:

Spot repetitive work and automate it.

Mini example:

Top automations ranked by ROI.

Prompt preview:

Act as an automation consultant.

Goal: {{goal}}

Bottleneck: {{bottleneck}}

Channels: {{channels}}

Tools: {{tools}}

Task:

- 1) Map 5 systems (lead gen, sales, delivery, support, admin)
- 2) List 2 automations each
- 3) Rank by ROI
- 4) Detail the top 3 (trigger → steps → output)

Copy-ready prompt:

<https://leonelulloa.com/p/19>

Scan the QR or tap the link.

Lead capture → follow-up workflow

What AI can do:

Capture leads, store them, and follow up automatically.

Mini example:

Trigger + steps + fields + failure handling.

Prompt preview:

Design a lead capture → follow-up workflow.

Customers: {{customers}}

Channels: {{channels}}

Tools: {{tools}}

Include:

- Trigger
- Fields to store
- Dedupe rule
- Follow-up schedule
- Notify me
- Failure handling

Copy-ready prompt:

<https://leonelulloa.com/p/20>

Scan the QR or tap the link.

Content factory workflow (weekly)

What AI can do:

Turn a weekly routine into a content pipeline.

Mini example:

Idea → draft → approve → schedule → report.

Prompt preview:

Design a weekly content automation workflow.

Channels: {{channels}}

Offer: {{offer}}

Brand voice: {{brand_voice}}

Must include:

- Topic generation
- Draft creation
- Human approval step
- Scheduling
- Weekly performance report

Copy-ready prompt:

<https://leonelulloa.com/p/21>

Scan the QR or tap the link.

Support workflow (safe + escalations)

What AI can do:

Draft replies and route issues with approvals.

Mini example:

Classify → draft → approve/assign → log.

Prompt preview:

Design a customer support automation workflow.

Customers: {{customers}}

Channels: {{channels}}

Tools: {{tools}}

Include:

- Classification categories
- Draft replies
- Confidence rule (auto-send vs approve)
- Escalations (refunds, angry, urgent)
- Logging

Copy-ready prompt:

<https://leonelulloa.com/p/22>

Scan the QR or tap the link.

Weekly reporting automation

What AI can do:

Get a weekly report you'll actually read.

Mini example:

Metrics + insights + next actions.

Prompt preview:

Design an automation that produces a weekly business report.

Goal: {{goal}}

Channels: {{channels}}

Tools: {{tools}}

Must include:

- Metrics summary
- What worked / didn't
- 3 recommended actions
- Alerts for drops/anomalies

Output: data sources → steps → report format → delivery

Copy-ready prompt:

<https://leonelulloa.com/p/23>

Scan the QR or tap the link.

30-day roadmap (growth + automation)

What AI can do:

Combine marketing + ops into one month plan.

Mini example:

Week 1–4 milestones + KPIs.

Prompt preview:

Create a 30-day roadmap.

Goal: {{goal}}

Bottleneck: {{bottleneck}}

Channels: {{channels}}

Tools: {{tools}}

Requirements:

- Week 1: foundation + quick wins
- Week 2: marketing momentum
- Week 3: sales/support improvements
- Week 4: automation + reporting

For each week: tasks + time estimate + KPIs

Copy-ready prompt:

<https://leonelulloa.com/p/24>

Scan the QR or tap the link.
